Ivan Mladenovi (Ph.D., University of Belgrade) specializes in political philosophy. He is an Assistant Professor at the Faculty of Philosophy, University of Belgrade. Before joining the Faculty of Philosophy, he was a Research Fellow at the Institute for Philosophy and Social Theory in Belgrade. His main research interests are in the areas of political philosophy, democratic theory and the philosophy of social science. He is the author of *Rational Choice and Democracy* (2012), and *Institutional Reality and Justice* (2010). He is co-editor of *Thomas Hobbes: The Foundations of Modern Political Philosophy* (2012), *Bioethics* (2012), and *Institutions and Institutionalism* (2010). He has published numerous journal articles and book chapters. In recent years he has written articles on deliberative democracy, rational choice theory, and on Thomas Hobbes. His current research projects are in epistemic democracy and deliberative democratic theory.
