

ГОДИНА АНДРАГОГИЈЕ

“... in 1967 I had an experience that made it all come together. A Yugoslavian adult educator, Dusan Savicevic, participated in a summer session I was conducting at Boston University. At the end of it he came up to me with his eyes sparkling and said, ‘Malcolm, you are preaching and practicing andragogy.’ I replied, ‘Whatagogy?’ because I had never heard the term before. He explained that the term had been coined by a teacher in a German grammar school, Alexander Kapp, in 1833 ... “
